Phantom Mask to Be Installed Over WNAD

Installation of Phantom Mask, the only honorary university radio dramatic organization in the United States, will be given at 10 o'clock Thursday night over WNAD, university broadcasting station, as a part of the Oklahoma silver jubilee celebration.

Eustis Wheeler, Oklahoma City, will tell the purpose of the organization and give a survey of what is going on in the theaters of the east. Wheeler is a charter member.

Reviews of current one-act plays on Broadway and elsewhere will be given at 11 every other Thursday night over WNAD.
